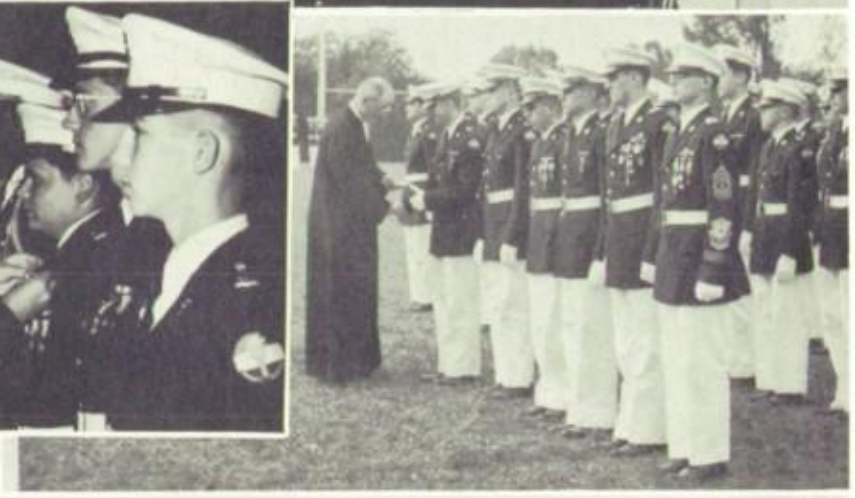
Dedication

Brother Hilary Bernard, FSC



We, the Class of '59, cannot fully describe our true appreciation of your dignified and yet personal three years as Brother Director at CBC.

Never were any of your decisions made without the welfare of the Student Body in mind. You always seemed to be trying to better us, whether it was scholastically, morally, socially. Always did you show the keenest interest in all our activities and projects, Brother, offering suggestions for their betterment, and offering encouragement when things went astray and wrong.

You, Brother Director, must be commended for your firmness when cases demanded it. When we were in the wrong, you never hesitated to point out to us the proper way; yet you did so always with our improvement in mind. Never did you hesitate to grant deserved praise and congratulations when merited.

In your own quiet way, you represented the finest qualities of the sportsman.

Truly then, Brother Director, we, in striving to show and express to you some of our long overdue gratitude and appreciation, dedicate this 1959 GUIDON to you, hoping to keep it always as a symbol of your excellent leadership.

Thank you, Brother Bernard.

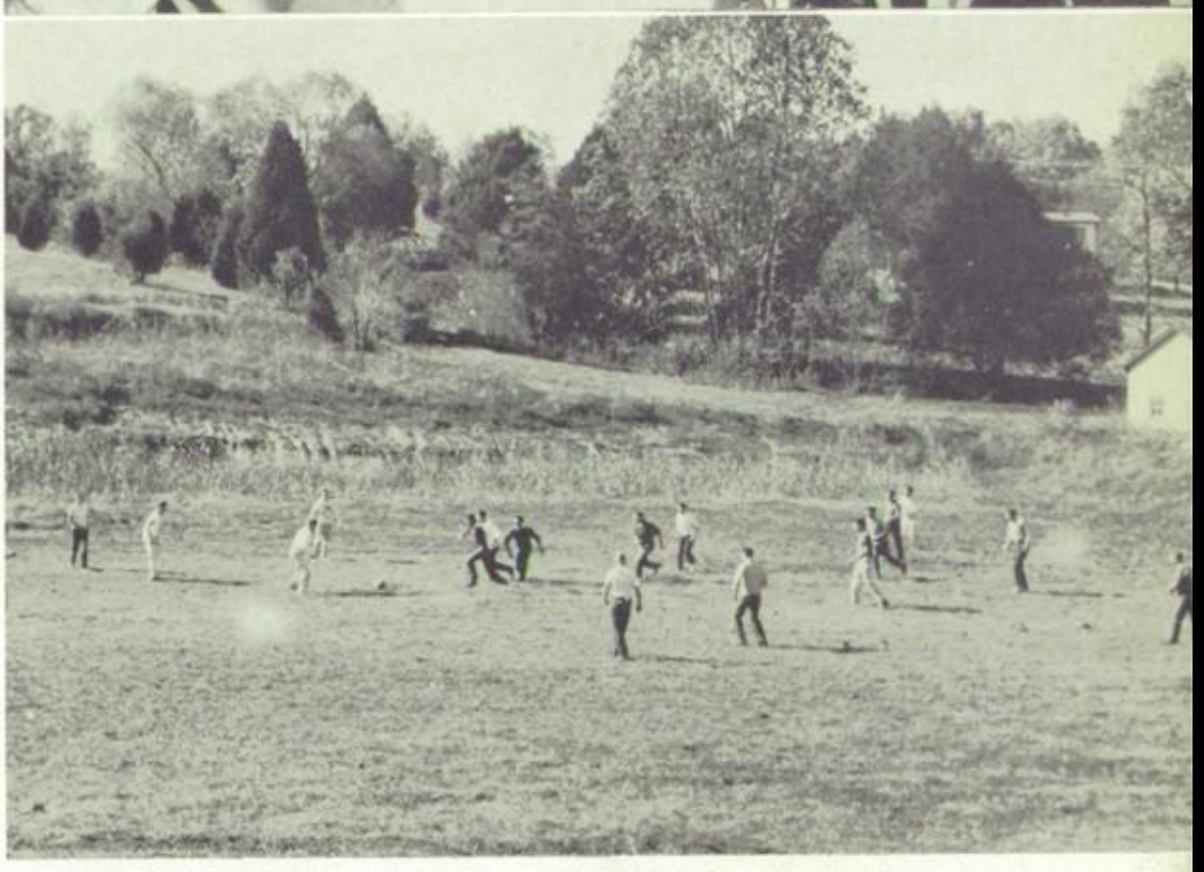
Mea Culpa!

TOP RIGHT: Bull Session

CENTER: And it tastes good too!

BOTTOM: Ouch.



Religious life at CBC has its outlet in opportunity for daily confession and communion in the school chapel; in the hour-long daily religion lesson; in the recitation of the beads. morning and afternoon; in the hour and half-hour prayers said daily in the classroom; in frequent visits to the Most Blessed Sacrament; in the monthly Mass sponsored by the Blessed Benildus Vocation Club; in the annual closed retreats which are mandatory. These plus religious exercises of the various activities on campus provide excellent opportunity for the CBC Cadets to foster permanent habits of piety.

(Standing)—John Cusumano, James Collum, Joseph Ring, Michael Murphy, Edward Harrington, Gary Kimmick, James Bolte, Don Riesmeyer.

For the past two years, there has existed at CBC a group of young men who have added more to the discipline and prestige of the school than any other organization. (**Ed Note:** This is merely an opinion of the writer.) This is the Guards' Platoon.

The Guards have performed the thankless task of patrolling the school and vicinity with an "open eye" for violators of cadet regulations. They have "endeared" themselves to the cadets who have frequented such establishments as Parkmoor and Yankee Grill. Credit is due them also for service rendered at the Fall Review and Open House, on the streets as a traffic patrol, at home football games, and as a Guard of Honor for the Honorary Cadet Officers.

In the words of the PMST, Captain Rachek, "The Guards' Platoon, by its ability and faithfulness, has demonstrated that it is a definite asset to the community as well as to CBC."

"Colonel, your Regiment."

The Ross Lancers

1st Sgt. Gerald Dillon, SFC Joseph Dawson, Col. Clark Harman, Cadet Michael Borgard, 2nd Lt. Ronald Unger, Cadet Gerald Brown.

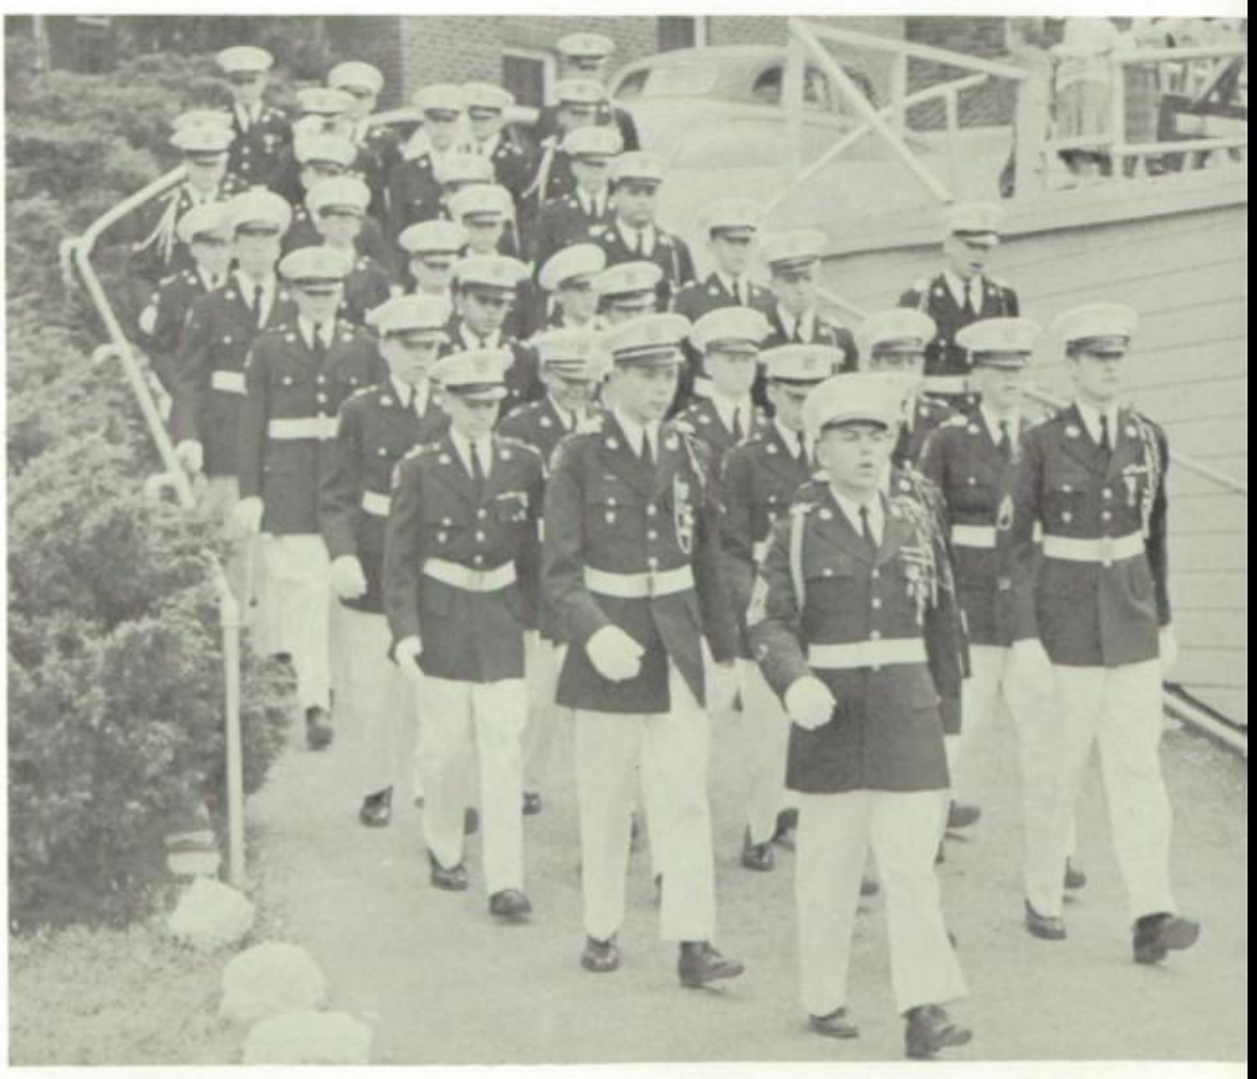
The Ross Lancers, organized in 1940, were named after the Corps' first Professor of Military Science and Tactics, Colonel Glenn A. Ross. Motto of this crack drill squad is to encourage, preserve and develop the highest ideals of the military profession.

To be eligible to join this unit, Cadets must be five feet, seven inches in height and must also maintain a high personal bearing in military as well as in scholastic pursuits.

This year the Lancers have practiced faithfully at prescribed times under the command of Cadet Col. Clark S. Harman. Their public appearnces testify to their mastery of perfection in drill and neatness.

"Lancers may be anywhere under 5' 6" tall," it says in Regulations.

PERSONNEL: Kenneth Butler, Nicholas Congemi, Robert Conley, Paul Cordes, James Moll, Charles Tines, Michael Condit, Kenneth Bowles, Daniel Cuddy, Samuel Dellario, Joseph Fresta, John Guidry, Clarence Larson, James Moore, Harry Pfountz, Thomas Wharton, Thomas Wright, William Amico, James Belcher, John Bommarito, David Foley, Robert Heitert, Timothy Houghton, Thomas Knoten, Robert Koenig, Joseph Mantia, Edward Nickels, Raymond Niebling, Thomas Oates, Richard Poehling, Francis Ready, William Stover, David Walsh, George Whitworth, William Winter, Richard Zimmerman.



The Elzear Grenadiers

The Elzear Grenadiers have excelled in precision drill for many years and 1958-59 was no exception to expectations of their public.

Those chosen for this elite group have performed on many occasions during the past year. Fall and Spring Military Reviews, Veterans' Day Parade, Graduation, Youth Day Honor Guard at the Cathedral for His Excellency the Most Reverend Archbishop, Honor Guard at Funerals, and many other special occasions are but a few of their appearances.

Selection to this group is something that every cadet looks forward to, for when he is chosen he knows that he represents the finest of the best drillers and best-dressed CBC Cadets.

The organization was founded in 1937 and named in honor of two noted Christian Brothers, Brother Justinus Elzear who introduced Military Training at CBC, and Brother Elzear Stephen, who spent almost four decades teaching St. Louis youth.

1st Sgt. Thomas Hoff, 1st Lt. Ray Millard, 2nd Lt. James Lawton, Commander; Lt. Col. Clint Clark, 2nd Lt. Paul Poelzl.

McKinley, Mercy Mowed Under

CBC made its first start along the comeback trail a whopping success by kayoing McKinley in four rounds. When the fight stopped, CB was ahead on the cards of all three scorers: 18-0.

The Cadets drew first blood on Jackie Hough's quarterback sneak early in the second round. Charlie Sapienza's chop to the middle at the start of the fourth shook up McKinley quite a bit. And his roundhouse right later in the same round felled the Goldbugs for the third and final time. Jerry England, Rich Block, Jerry Krause and Fred Dashman got in their offensive licks also.

Johnnies-on-the-spot defensively were Rich Migliore, Tom Schulte, Jim Redd, Tom Kopfer and Vince Scuzzo. Especially outstanding were Frank Barro and Jack Kochanski.

Following up its successive debut against the Goldbugs, the Cadet machine rolled over Mercy, 20-0.

In the second quarter Hough rolled off left end untouched for the first score. He promptly converted for the 7-0 count that stood at halftime.

In the opening frame of the second half, Sapienza took a pitchout and raced 73 yards for the second TD.

Then, after the change of quarters, Bill Eigel entered the game and began pitching a few passes. One hit England who accepted and delivered the parcel to pay dirt. Hough booted his second PAT of the night and the final tally read: CBC 20, Mercy 0.

Jerry England shifts into high gear against Mercy.

DuBourg Drubbed

Over 5,000 people jammed the stands at CBC as the DuBourg Cavaliers, big, tough and powerful, sought to avenge last year's defeat. But the Cadets led at the final gun, 19-6, after TDs by Sapienza and Hough.

DuBourg scored their lone tally early in the first quarter after intercepting a Cadet pass. CBC came right back with a 65-yd. drive and Sapienza carried the ball over. The PAT was good on a pass from Hough to England. Later, Sapienza raced 63 yards for his second TD of the game. And Hough chalked up the final score with seconds to go in the final quarter.

McBride Bows

The McBride Micks, who last year held us to a 0-0 tie, saw that the chance for a major upset this season just wasn't to be theirs. Sapienza, work-horse fullback, broke through the tough McBride line for the first TD and the Cadets were on the march. Don Kassing scored the second touchdown for CBC on a 57-yard pass play after which a Mepham Special was called back. Then Hough put over the third and Jim O'Rourke went over for the final in the Cadet touchdown parade. McBride scored two touchdowns—more than all previous opponents to date—and these seemed to be gifts. Final score was 25-12.

Soldan Tamed

Sporting a 4-0 record, the Cadets entertained on their home field a strong Public School contingent, Soldan's Tigers. The visitors, with a 2-0-1 records, jumped to a 7-0 early lead in the contest. Then CBC's ground attack began to move and the Cadets caught and sprinted past Soldan, 21-7. Fullback Sapienza had quite a night for himself, scoring all three Cadet TDs. Hough booted one PAT and tossed to England for the other two. The Cadets looked impressive in their victory and hopes for an undefeated season soared.

Pioneers Upset CBC in Last Quarter, 25-19

On a cold October 25, the Cadet football team journeyed to the home field of the Kirkwood High Pioneers. Entering the game with an undefeated, untied record of 5 to 0, the odds were in favor of a victory for "ol' CB."

The Purple and Gold team received the kickoff only to lose the ball immediately thereafter on downs. Kirkwood took over on their 45-yard line and on the first play, a handoff to the fullback, with excellent blocking scored a touchdown through the middle of the line. This setback served only to stip up the spirit of the CBC squad as Jack Hough passed and ran to tally three quick scores. At halftime, the score read: Visitors 19, Home 6.

What the Kirkwood coach had to say to his team is a highly-classified, top secret mixture of words but whatever it was, it worked. Making excellent use of the forward pass and our mistakes, the Red and White clad opposition went for a second touchdown during the third quarter.

The start of the fourth quarter signaled the breaking of the dam. While holding the Cadet players to nil, the Pioneers raced across the white line for two more tallies and the day ended in martial mourning as the blatant figures on the board shouted 25 - 19, Kirkwood.

Beleaguered Charlie stopped by swarm of Pioneers.

This break-through by CHARLEY SAPIENZA looks promising for the C.B.C. cause but someone neglected to "take out" Fullback BOB TRIGG (32) of St. Louis U. High. As a result, Sapienza was pulled up sharply for a short gain in the high school football game at Public Schools Stadium. The Junior Billikens won, 14-9. Rebounding from heartbreaking defeats at the hands of Kirkwood and St. Louis U. High, a maturer, better Cadet ballclub met and romped past a tough Assumption High aggregation from the East Side, 25-6. The Flyers, led by two All-District players, were no push-overs but likewise were no match for the fired-up Cadets who took some measure of revenge for the previous weeks' losses.

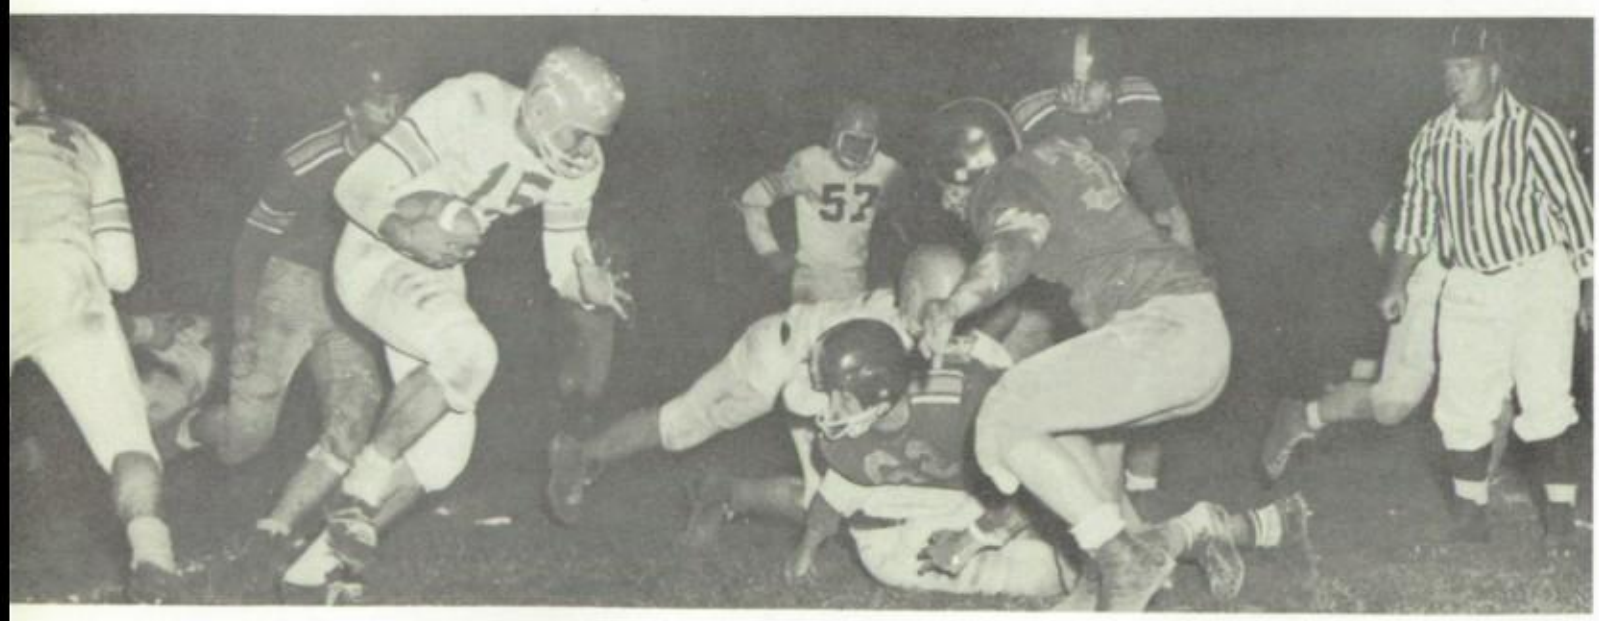
The finale pitted CBC against the county powerhouse and Suburban League Champ, U. City High. With All-District Stan Schainker and mates clearing the way and All-District Bernie Feinstein toting the mail most of the time, the Cadets were less than equal to the inexorable Indians and bowed, 21-6. CB's lone score came on a plunge by quarterback Hough, following a long gallop by Charlie Sapienza.

The senior portion of the team that, as Jim O'Rourke wrote, "was defeated but never beaten" was as follows: End—Don Kassing, an excellent line-backer and pass catcher; Dick Flynn, badly injured early in the season. Tackles—Dan Ferry, a bright spot on the line; Hank Suntrup, All-District honorable mention; Mike Ross, a stranded frogman.

Guards—Jack Kochanski, third-year man and co-captain; Jim Schicker, muscular Health Studio product; Frank Barro, All-District honorable mention and co-captain. Center—Mike Willett, a big man around the campus. Quarterback—Bill Eigel, CB's lone pass defense.

Halfbacks—Jerry Krause, one of the better subs in the district; Jerry England, All-District honorable mention and an outstanding back; Bud Mepham, who couldn't beat SLUH alone; Vince Scuzzo, an excellent line-backer and wise-cracker; Jim O'Rourke, a one-touchdown man; and, finally, fullback Charlie Sapienza, second team All-District and one of the area's top scorers.



Something's got to give as Sapienza barrels towards a waiting opponent.

MIDDLE ROW: David Sanders (Student Manager), Charles Diel, William Bailey, Mario Canziani, John Chellis, John Linhares, Joseph Williams, Stuart Brown, James Kniest, John Sheridan, Thomas Dunne. BACK ROW: Jack Oates, Joseph Winkelmann, Walter Ruck, Gary Schaeffer, Peter Diani, Alan Fuchs, John Vieth, Michael Reizer, David Barton, Russell Braudrick, James Prow, Louis Coco, Coach John Findley.

The Bee team under Coach John Findley broke even with a 4-4 year. They lost heart-breakers to St. Mary's 7-0, Assumption 19-7, Marquette 32-12 and St. Louis 19-14. In their four wins, however, they had no trouble, downing Mercy 33-0, McBride 26-6, Laboure 20-6 and Cathedral 25-6.

Heavy guns on the team were Jim Prow who racked up 50 points; Carl Gentile, only freshman on the squad, who piled up a total of 47; and Tim Toolen in the third slot with 30.

Scoreless sparkers for the team were Jack Vieth, who moved up to the varsity at season's end; Mario Canziani, Mike Reizer, another varsity potential, and Al Fuchs.

The Cee team under Coach Gus Lombardo bagged a 4-3 season. The little Cees marched over McBride 21-0, Marquette 6-0, DuBourg 15-0 and Lutheran 19-0. Losses were to St. Louis 18-0, Normandy 18-0 and St. Mary's 25-0.

High scorers on the squad were Dick O'Brien with 42 points, John Mercurio, Ken Colombo and Bob Grone with 6 each. Charlie Pullaro had 3 and John Balmer 2. Main sparkplugs on the team were Charlie Pullaro, Dave Tholen, Dan Sexton, John Lorenz, Frank Forst, Ken Colombo and Dick O'Brien, the latter two averaging 40-50 yards each in the Normandy game.

CEE TEAM—FRONT ROW: John Mercurio, William Emmerich, Theodore Lorenz, Robert Grone, George Buys, Donald Puder, David Tholen, James Crahan, Rich O'Brien, Michael Bernsen, Frank Forst, Kenneth Colombo, Thomas Dittmeier. BACK ROW: Coach Gus Lombardo, John Balmer, John Morrell, Robert Maloney, Daniel Sexton, Joseph Butler, Patrick Blake, John Brauer, Leo Goessling, James Smith, Gerald Fitzgerald, Daniel O'Neal, Peter Sharamitaro, Robert McKendry, Joseph Pickulic, Glennon Silliman, Les Muckerman (Assistant Coach).

Soccer Team Captures Christmas Tourney for 4th Consecutive Time

For the fourth time in four years CBC's perennial soccer power walked away with the CYC Christmas Tourney.

The story of soccer championships for Mr. Robert Horgan's kickers is becoming "naturally expected" occurrence at CBC. What could one expect after a glance at the record compiled by his teams in the past several years? Not only have the kickers triumphed in 60 of the past 64 games, but as of this writing, have gone through 31 consecutive games without a loss. The last time the soccerites were beaten was in 1957 when they dropped a game to the "boys" on Oakland.

Surely never too much praise and appreciation can be given to our "Winter Wonders" of the soccer field. Nor can too much praise be showered on our amiable, Russian Coach, Mr. Horgan. So, thank you so much, Kickers, for stuffing our trophy case, especially with the enormous Christmas Tourney Traveling Trophy.

Horganmen Set Enviable Soccer Record

The Cadet kickers piled up 19 straight victories before being edged in their finale of the regular season. A 39-game streak covering three seasons was broken by St. Louis U. High 1-0, in a game marked by rugged play throughout.

Mr. Robert Horgan's charges set an all-time record by scoring 79 goals going into the District Tournament. Leading the swift eleven a freshman, Carl Gentile, who accounted for 27 markers.

Cadet fans now boast that the team has been beaten only twice in over 60 games, though they shudder in admitting both have been to St. Louie. Still, the Cadets have triumphed five time over their friendly rivals during the same interim.

The collection of trophies now gracing our beloved case includes four straight in the CYC Christmas Tourney, three in District, and two (one shared) in the League.

Only one starter, Co-captain Bill Vieth, will graduate. The rest will return next year in an attempt to continue the fine tradition built up by CBC in this winter sport.

Aside from the previously mentioned players, the front line is composed of sophomores Tim and Terry Knox and the other Co-captain Jackie Hough.

In the backfield Mike Lyons at times has done a sparkling job; Rudy Bini, until injured, turned in fine performances, as did frosh Bob Proost. Jim Renschen in the meantime held down the important center-half position.

Rich Bax and Tom Giovanni defended at fullback with Rich Block in the goal. These three juniors were responsible in large part for the 13 shut-outs during the 20-game campaign.

It is not often that a team which is [new] to the standards of a much more ex[perienced] team. But, as you all know, over the Chris[tmas] Cadet kickers turned in a repeat performanc[e] Tournament Championship.

This was possible chiefly because the returning lettermen and the new-blood on the team have learned to work exceptionally well together. The Cadet team is not big, but the boys make up for this by out-hustling their opponents.

In the first game of the Christmas Tournament, Mr. Horgan's boys came up against our traditional rivals from down on Oakland. Jack Hough made good a penalty kick and Rudy Bini scored on a high, half-field shot to rack up two goals against St. Louie's one.

Cape Tourney Among First Six Victories

The team was a bit nervous as it stepped out unto the playing floor, for two of its regulars of last year's State Team were not there: Bill Eigel and Jerry England. This was also the first game of a rugged schedule and was being played on a totally foreign floor. The team, however, won out in a 63-57 contest. Garry Garrison led the attack with 18 points. Four players scored in double figures against College High, Cape Girardeau.

In the tourney final the Cadets were up against a tough customer in Cape Catholic. The Hi-Pointers led all the way in this game but the Cape didn't give us too many chances to sit back and relax. Once again our talented 6-7 center, Garrison, showed the way to victory with 20 points. As the buzzer rang, it was CBC 59, Cape 50, with our first tourney crown riding high.

After winning the first two decisions, the Cadets returned home to take on the Longhorns from Southwest. This was the first home game and the team coasted most of the way to an easy 62-47 win, giving the fans hope for the future. Again Garrison led the scoring by pumping in 17 points.

The team journeyed to Normandy to meet the Vikings on their home court. The game was close at the half, with the Cadets leading by 7 points. In the second half, the boys exploded for a total of 40, swamping Normandy, 70-43. This time "Gangling Garry" and Jerry Strange teamed for 17 and 15 points respectively to lead the way.

In the next contest the Cadets met an old friend in Jack Mimlitz and his Mercy High five. Mercy surprised and led after the first quarter, 14-13, but then CBC slipped its scoring shackles to ring up 22 points in the second quarter. This iced the game. Phil Noser, Bill Eigel and Garrison were the backbone of the attack, scoring 17, 15 and 14 points respectively. Final score: CBC 68, Mercy 47.

The game against St. Mary's should have been titled "CBC vs The Flu." Three starters — Garrison, Noser, Strange — were out. Despite this handicap, the Cadets made it a close game. Finals read St. Mary's 51, CBC 42.

No. 1 Seed at Normandy

Mexico was the first game of the Normandy tournament. Because of CBC's previous record it was seeded first, an honor of which few CBC teams can boast. The squad rose to the occasion by whipping Mexico, 75-59. This was another team effort as five players — Garrison 20, Eigel 17, Noser 15, Strange 11, Redd 10 — scored in double figures.

The second game of the Normandy Tournament pitted the Cadets against Mercy for the second time in this season. CBC led all the way, winning out 67-57. Jerry Strange led the attack with 18 points. Garrison and Eigel had 17 and 13 each.

In the semi-finals, CBC was matched against the strong Cavaliers from DuBourg, who at this period had lost but one previous ball game. They wanted badly to beat CBC, something they have never done in basketball. At the end of the half the score read: CBC 25, DuBourg 19, and it looked as if the Cadets might win easily. However, DuBourg outscored us in the second half with a fourth quarter output of 19 points. It took Jerry Strange's two foul shots to tie the game and send it into overtime.

Take 2nd Crown of Season

In the overtime, Redd and Eigel fouled out following Garrison who had left earlier. The reserves came through, however, and Strange with 15 seconds to go, whipped in two more free throws to take the Cadets into the finals. CBC 56, DuBourg 55. Garrison was high point man again with 22 points.

This was it. But we had a high hurdle to leap over in the Webster Statesmen who were undefeated at this point. After being behind by four at the end of the first period, the Cadets raced to a three point lead at the half. In the final quarter, Garrison and Strange teamed for 15 of the 19 points the team scored to eke out a 63-55 triumph over Webster and cop the Tournament crown. This was only the second time a CBC team had performed this trick. Four men counted double figures: Garrison 18, Strange and Noser 13 each, Eigel 12.

The week before, the Cadets upset Madison, Ill., quint, 70-60 in a rough game there. The Illinois team led 37-33 at the half but in the third period the Hi-Pointers tipped in 19 points while holding their opponents to 7. Garrison was the big gun in the offense, dumping in a total of 33 counters.

Cadets Take DuBourg Again

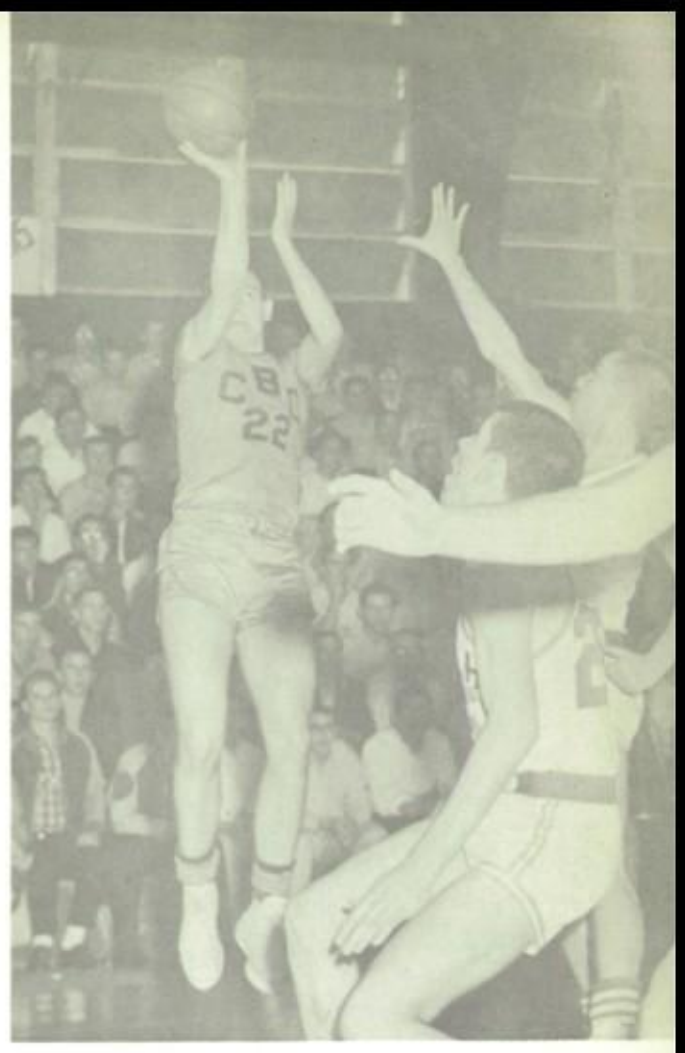
Feeling ran high in the first meeting between DuBourg and CBC following the Normandy Tournament in which the Cadets had nosed out the Cavaliers in a semi-final overtime thriller. Could CBC do it again? That the Cadets could win again was not too evident in the first three quarters for DuBourg led by one at the half and increased that lead to seven at the beginning of the last period. Things didn't look too bright for the Cadets with Garrison, Noser and Strange fouled out. But Eigel came through and with some cagey work by D. C., the Cadets again edged DuBourg, 59-56 in another thriller.

CBC had the thought that perhaps this would be the year when the Jr. Bills would taste defeat. But they quickly set us to rights by trouncing the Cadets 57-35. "Wild Bill" Eigel was high man with 12 points as CBC went down to its second loss.

In the Chaminade tangle, the Cadets led at the quarter by four. But that was the last time that CBC was ahead as Chaminade jumped to a six point lead at halftime and stretched it out to a 54-43 win. This was CBC's third loss of the campaign. The game marked the first time that we missed the services of ace guard, Phil Noser, out with a broken finger. Leaders in the scoring race were Eigel with 11 and Garrison with 10 points.

Central Public paid for the two straight losses of the Cadets, 99-42. Everyone had a hand in the scoring, Garrison leading the pack with 20. Apex of the night was a 31 point third quarter.

Next on the schedule was Sumner who came to CBC with star Nelson Yates. The game was close until the second quarter when CB exploded for 22 points to the Bulldogs' 11. Of the 75 points in the game, "Gangling Garry" tipped in 35, coming within one point of breaking the school record. Finals read: CBC 75, Sumner 53.



One of the bright spots against St. Louis as Jim Redd hits on two.

Strange, utilizing his jumping ability, scores against Beaumont.

CBC Bests Beaumont

Beaumont vs. CBC. This was the battle of the titans with CBC, Normandy Christmas Tourney champion, host to Beaumont and their star Donnell Reid, Public High Christmas Tournament winners. The Bluejackets had suffered only one defeat until this game and that by one point. Many will call this game the greatest that CBC played all season. Against the powerful Jackets, the fast-breaking Cadets scored 9 points before Beaumont found the target. At the end of the half, CBC was ahead by 20 points. There was no doubt in anyone's mind that Bill Eigel was the star of the game for he seemed jealous of Garrison's 35 points in the previous game and duplicated this feat. CBC coasted in the second half and wound up with a 73-63 victory in an exceptionally fine ball game. When the shooting percentages were tallied, they showed that the Cadets had made an incredible 65 percent of their shots.

Next we traveled to DeAndreis to try for the 15th victory of the campaign, and made the grade by defeating a scrappy DA team, 59-44. Garrison led both squads with 20 points.

Cadets Enter Regionals with 20-4 Record

This was Cape's second try at defeating the Cadets but after the first quarter the issue was no longer in doubt, just the size of the final score. Garrison pumped in 26 points as CBC went on to win 74-39.

In this game we paid a visit to our friendly rivals, SLUH, and wished afterwards that we could have neglected doing so, for this time the score was 67-50 against us. The game was marred by fouls as four of our players left the floor and two Junior Bills did likewise. Only bright spot on the dull Sunday afternoon was the 19 points racked up by "Cowboy" Eigel.

After the pasting the Junior Bills gave us a few days previously, the game against Assumption loomed as a revenge affair. At the end of the first quarter the Cadets had raced to a 20-8 lead and then coasted to a 66-48 victory. High point man in the game was Garry Garrison who sank a total of 30 points, 23 in the first half. This game marked the first time in which Phil "Big Finger" Noser returned to the lineup after being sidelined with a broken digit.

Laboure, fresh from completing one upset, was out to do in the highly favored Cadets. However, the Cadets were just as determined to win and Final score: CBC 79-Laboure 43. Four men scored in doubles with Garrison out in front as usual with 19. Noser and Strange had 11 each and Bart Friehaut, 10.

The final game on our home court was **senior send-off night** for Bill Eigel, Phil Noser, Jim Butler, Jim Pelchman and Jerry England who would have composed the **Anselm's Angels** intramural team if they had been eligible for that competition. The game was never in doubt as the Cadets posted a 90-57 win over Soldan's Tigers. Big men of the evening were Eigel 25, Garrison 20, Noser 16 points. This was only the second CBC squad to rack up 20 wins before the regional playoffs.

Lutheran tried a new trick, "control ball" but the score at the end of the first quarter, 16-5, favor of CBC, shows that this didn't hold the fast-breaking Cadets down too much. Final score was CBC 65, Lutheran 36 with Garrison hitting for his 19 points, Noser for 12 and Eigel for 10, in the season scheduled finale.

SENATE RESOLUTION NO. 64

Whereas, it has come to the attention of the members of the Senate that Christian Brothers College of St. Louis won Missouri's big-school, Class L., basketball tournament on Saturday, March 14, 1959, at the Washington University Field House by defeating Joplin seventy-five to sixty-three; and

WHEREAS, this title is the first the Christian Brothers team has won since 1933 when they won the Class B crown; and

WHEREAS, Garry Garrison, the six-foot, seven-inch, junior center of the team, scored twenty-six points in the title game, twenty in the first half, and was voted the tournament's most valuable player; and

WHEREAS, another member of the team, Bill Eigel, was selected on the list of the tournament's top ten players; and

WHEREAS, the tournament victory climaxed a brilliant season for the team with a record of twenty-seven wins to four losses; and

WHEREAS, CBC's athletic director and basketball coach, Mr. D. C. Wilcutt, is deserving of much credit and praise for the excellent leadership given the team; now, therefore,

BE IT RESOLVED, that the members of the Senate extend their congratulations to the team and also their best wishes for continued success; and

BE IT FURTHER RESOLVED, that the Secretary of the Senate be instructed to send properly inscribed copies of this resolution to Brother H. Bernard, Principal of Christian Brothers College, to Mr. D. C. Wilcutt and to the team.

Offered by Senators Barrett, Pentland and Bachler

STATE OF MISSOURI:
CITY OF JEFFERSON: ss
SENATE CHAMBER :

I, Joseph A. Bauer, Secretary of the Senate, do hereby certify the above and foregoing to be a full, true and complete copy of Senate Resolution No. 64, offered into and adopted by the Senate on March 17, 1959, as fully as the same appears of record in my office.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the Senate of the State of Missouri this 17th day of March, A. D. 1959.

CBC Wins Missouri 1959 Class L Crown

For the first time in its history Christian Brothers College gained the Class L Basketball Championship of Missouri. Thus, D. C. Wilcutt added another first to his list; previously, this year, he had won his first Normandy Christmas Tourney, and the first Cape Girardeau Invitational Tournament. The Cadets entered the final 16 team tournament by virtue of their triumph over Maplewood in the University Regional finals, 67-46.

McBride High School, upset winner over powerful Beaumont, provided the first State opposition, and again CBC, led by 6'7" Garry Garrison and Bill Eigel (29 and 23 points), coasted to a 79-62 victory after a big lead. The second contest at Washington University matched us against St. Joseph's Lafayette, and this time the team matched the glamour of the uniformed Cadet Corps in attendance with a convincing 67-47 triumph, with Garrison again leading all scorers with 26 points.

The semi-finals pitted the Cadets against their arch-rival and nemesis, St. Louis U. High; previously the Junior Bills had won 10 consecutive meetings in this sport, but this time a decisive reversal occurred. Succumbing to a SLUH 11 point lead in the second quarter, the Cadets bounced back with 17 consecutive points to end the first half with a 32-26 lead, and this spurt was the decisive factor in the final 67-47 victory.

Riding high after such a great upset victory, the Cadets were more than ready for the 32-0 Joplin Eagles in the State finale. Thus the 1959 Missouri State Basketball Championship trophy came to rest at 6501 Clayton Road.

The regular starters in this great 27-4 year were juniors Jerry Strange (5'11" guard), Jim Redd (6'2" forward), Garry Garrison 6'7" center), and seniors Phil Noser (5'11" guard), Jim Butler (6'1" guard who capably filled in for Noser for the games Phil missed due to his broken finger), and Bill Eigel (6'2" forward). Garrison was chosen Most Valuable Player in the State Tourney, and named to the first All-District team. Bill Eigel, co-captain with Phil Noser, won a berth on the first State Tournament team, and was named to the second All-District team.

HOUSE RESOLUTION NO. 101

WHEREAS, Christian Brothers High School, 6501 Clayton, Clayton, Missouri, by virtue of their victory in the finals of the Class "L" Basket ball Tournament Saturday, March 14, are the 1959 Class "L" Champions of Missouri; and

WHEREAS, by their fine team work and ability and by the sportsmanship of both the team and the student body they brought honor and acclaim to their school and to themselves; and

WHEREAS, the Athletic Director and Coach of the team, Mr. D.C. Wilcutt, has been both prominent as a player with the St. Louis University Billikens, and as a coach at Christian Brothers High School; and

WHEREAS, the House of Representatives desires to congratulate the cadets, both players and students, the Coach, Mr. Wilcutt, and the faculty of Christian Brothers High School on their fine achievement;

NOW, THEREFORE, BE IT RESOLVED, that the House of Representatives by this Resolution convey to them our sincere congratulations and best wishes for future success; and

BE IT FURTHER RESOLVED, that a copy of this Resolution be sent to Brother Bernard, Director of Christian Brothers High School, and to Mr. D. C. Wilcutt.

High over the Blue, Willie scores.

Bees Post 13-5 Record

Preceding every varsity basketball game is the contest between the respective "B" teams.

The "B" team is, except for a few outstanding players, one rung of the ladder to a berth on the varsity basketball squad. The season spent is the time to gain extra experience and to pick-up those tricks which go into the making of a well rounded performer. Consequently, it is not presumed that a "B" game will be a source of excitement for those watching.

This year, however, the CBC "B" basketball squad has provided unexpected thrills. While crawling off to a slow start by losing three of the first four contests, they ended the season flying a 13-5 record, losing three games by only one or two points.

An added feature is the fact that the season was concluded with an eight game winning streak.

In the eyes of the mentor, Mr. John Findley, among the games to be noted for good ball handling and excitement were those against Madison, Beaumont and both the victory and the defeat against our Oakland Avenue neighbors.

Starring for our junior cagemen were two players who are just about tied in their performance records. Willie White appeared in only 15 games, sinking a total of 181 points from the forward position. Although his aggregate sum was only second, he did have the highest percentage, hitting .460 of his shots. Gene Baker, an 18 game "veteran," had the highest number of points on the squad. His field goals and free throws accounted for 220 points but his hit-and-miss average was .110 below that of White.

Cees Reach .750 for Season

Following up last year's excellent season, this year's "C" team and Mr. Jack Kersting again found a winning combination. The "Cees" emerged victorious in 75% of their 16 contests.

Some of the highlights of the season included two victories over the Baby Bills from SLUH. The first of these encounters found the Cadets on top by 5 points, but in the second game the margin was increased to 15 points. This victory put a crowning touch to an already excellent season.

Incidentally, the freshman team under Mr. Kersting have won six out of the seven games played with SLUH as the opposition. Also, Mr. Kersting's cagers had won 13 straight home games before their mid-season loss to the St. Mary's frosh.

Ouch!

Three "Jims" Lead Scoring Parade

Leading the scoring parade was Jim Hersh, who, playing in all the games dumped in 121 points while taking in the most rebounds, 100. Jim made 44.0% of all shots taken from the field. This was the best shooting percentage on the team. Jim averaged almost 7.6 points per contest.

The second highest point-producer was Jim Bryant. Missing two games because of illness he still managed to tally one point shy of the century mark (99). This Jim had a 39.3 shooting percentage from the floor, and had the best percentage on the team from the foul line. He scored nearly 7.1 points per game.

Still another Jim, Jim Schneiderhahn, came through with almost 11.9 points per game—the highest average on the team. Playing in only seven games, Jim still was able to gather 83 points and 60 rebounds. He shot at a 33.3% clip.

Looking over the facts and figures of the team as a whole, it can be seen that it scored almost 10 points more per game than the opposition. The team made 35.5% of all its field goal attempts; but only 41.8% of its foul shots. The highest scoring contest was that against St. Francis de Sales in which the team dropped in 61 points, but the best played game was that against Blessed Sacrament.

The "C" Team had a great record, during a great season under a great coach and nothing else can be said but "Congrats to this coach and to this freshman basketball team for a job well done."

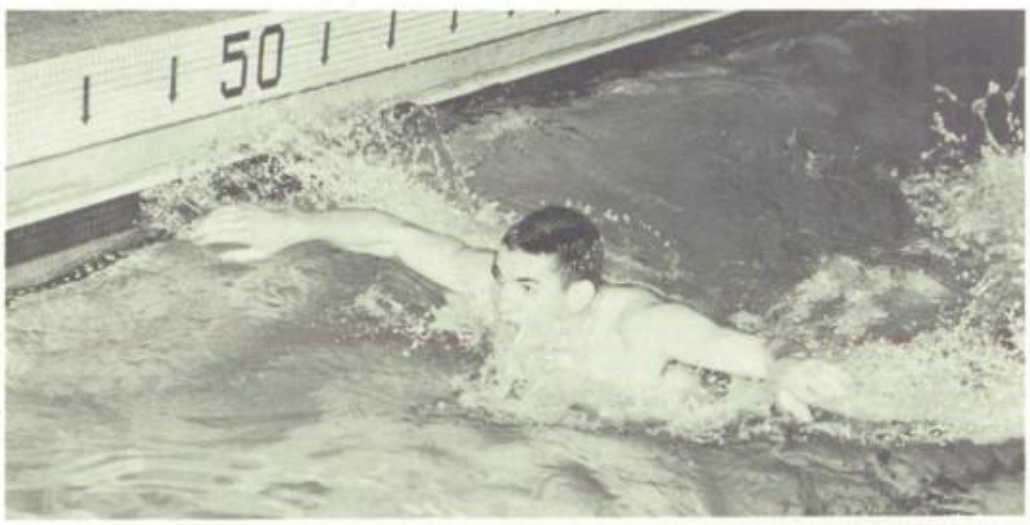
Swimming Team

The Swimming Team while not hanging up any records this year, promises much for the future. Coach Ed Tines will have 21 men of this year's squad back in '59. Ron Cox, Dan O'Neal, Bill Stover, John Carmody, Jerry Fabian, Bob Glarner are among those who show a potential that has been lacking in recent years. One big problem facing Coach Tines is a versatile replacement for Mike Ross who has been outstanding in this sport.

Experience gained this year, summer practice and some good men from the incoming freshmen could possibly help CBC to field a winner in this competition.



ROSS splashes away doing what comes naturally (to him). Mike won several events in the Catholic Swim Meet to place CBC in second place among six teams. He repeated with two places in the State Meet to net 9 points for the Cadets. Ross was the lone CBC man to survive the prelims.

When the Varsity Rifle team concludes its matches shortly, it will have faced in the majority of its scheduled contests, national competition. During this time, two members of the team have managed to win the National Rifle Association's highest award, "Distinguished Rifleman." Thanks to an experienced coach, fine weapons and hard work the records when tallied at the end of the season are quite impressive.

For the first time in several years the Junior Varsity has participated actively in League Competition. Under the able direction of M/Sgt. Kenneth Mueller, the team has met and held its own against varsity opponents. This method allows the varsity squad free to engage in national and college matches. Chief objective of the Junior Varsity is to groom marksmen for the senior team. In this function they are succeeding admirably.

Reilly

Reilly Rates 4th in State

From almost complete obscurity, Cross Country has risen to the point where it is the most popular "minor" sport on the CBC campus.

With a large freshman turnout there were as many as 30 cadets jogging the track last fall. The boys pictured on this page are those who endured the heat of those September afternoons and finished their prescribed course.

Mr. William Klemm, long-time football and cross country coach, gave up the former this year to devote full time to his harriers.

The team did not equal last year's squad in achievement (the '57 harriers placed 5th in the state); rather it bespoke youth and potential. Only two seniors graced the squad and a core of five juniors will return to improve the slate.

However, the year was not a total loss. The team was undefeated in dual meets until the last and finished with a fine 5-1-1. The defeat, to Ferguson, was avenged at both the Beaumont and District as was the tie with U. City.

John Reilly was the individual star of the team. In addition to winning all seven dual meets, he placed 6th of 196 in the Beaumont Invitationals, 7th of 140 in the District, and 4th of 101 in the State.

CBC's Student Council

Tremendous success! These are about the only words that can describe the Student Council of '58-'59. The Student Government's main accomplishments can be broken down into two major topics: New Projects and Improvements on last year's projects.

Topic of new projects contains many things of which the entire student body is proud. The English Contest was held for the first time this year with its purpose of encouragement of the more thorough study of English within the school. The Bank's essay contest was quite successful with the title of the theme being **The Student Bank.**

Sock hops were held for the first time this year after the St. Louis University High football and basketball games. Cheering at the athletic contests was encouraged and improved upon with the backing of the Student Council. The Student Government also sponsored the collection of canned goods at Christmas for the poor.

The Student Bank and the Scholarship Fund which were set up last year showed marked results this year and contributed greatly to the many improvements.

Probably the main reason behind the success of the Student Council was the fact that everyone helped. The burden was everyone's, not that of the few.

BOARD OF DIRECTORS: James Pelchman, Murray Olsen, Gus Dedo, Clint Clark, President of the Bank; Stephen Pieschel, Managing Director of the Bank; Jack Cooley, Edward Knoll, David Hess.

The Student Loan Association

In completing its second year, the Student Bank has proved to be one of the most successful organizations at CBC. With the revision of the constitution, the Bank has been operated on an entirely new basis this year. Board of Directors is composed of 10 members, all of them with definite duties and assignments. Excellent publicity, low interest rates and cooperative organization were just three of the reasons why the Bank was so successful. While the Scholarship Committee was having an English contest, the Bank sponsored an Essay Contest with the subject, "The Student Bank." This contest was open to all students who had any part in the Student Council projects with the winner receiving $25 in cash and the winning essay being published in a National Magazine.

The Student Council Scholarship Committee was formed with the intention of promoting scholarship within the school. To attain this goal, it carried on the project of selecting two eighth grade students who were outstanding in scholarship, leadership and were also financially deserving. These two students received one-year scholarships, a complete uniform, the opportunity to work at a well-paying summer job, and were entitled to receive a $75 bonus if they attained the "A" Honor Roll and excelled in one extracurricular activity. In the second semester, the Committee inaugurated a Student Council English Contest, again to promote scholarship within the school. Winners in the contest received almost $100 in cash prizes.

Corresponding Secretary

The 1958-1959 school year has chalked up another "Hero Star" for the CBC Mothers' Club. Under the able direction of its officers headed by Mrs. Leo Jaudes, Jr., as president, and Brother Laurence Matthias as moderator, the club has made substantial contributions to the school.

The calendar of events for the Mothers' Club reflects the great work and planning for which the organization is noted. In September, the year's festivities began with the Freshman Mothers' Tea. October saw the gala Fall Card Party. In November, the mothers held their annual Communion-Breakfast. The month of December ended with the traditional Christmas party. The New Year was welcomed with a dance in the gym. Pre-Lenten party in February was taken care of by the very successful Fashion Show. March was high-lighted by the club members' retreats at Vaugirard. The Spring Card Party was presented in April. In May, the Mothers' and Sons' Dinner-Dance took the spotlight.

The foregoing is but a brief presentation of what the Mothers' Club did at CBC during the past 12 months. This entire book could not begin to enumerate the hours and days and weeks of planning which went into each of the events listed above. Moms, from the Class of '59, Thanks!

Fathers' Club

Joseph Phelan
Assistant Secretary

"Unselfish" is the word which best describes the Fathers' Club. As the reader may infer, the fathers give everything to help the school and their sons. This was demonstrated definitely last year under the presidency of John Curtin and the moderatorship of Brother L. Charles. The lesson could be particularly drawn from the very successful Homecoming Drive brought to fruition by the hard work of the dads and the splendid cooperation of their sons. The Fathers' Club is much more, however, than a money-making outfit. Through its many religious and social functions, the club becomes well acquainted with and understanding of the educational system under which their sons are being trained to become worthy emulators of their dads. Examples of these various functions are worthy of mention—Fathers' and Sons' Communion-Breakfast; Fathers' Retreat at Vaugirard; Fathers' and Sons' Banquet, which set a new attendance mark this past year. The Cadets have many reasons to thank the Fathers' Club. It is through its efforts that the school retreat house, Vaugirard, is a reality. With the club's help, too, the many improvements each year at CBC are provided. So, the Sons, take this opportunity to say publicly, "Thanks! Dads!"

EVEN so serious an organization as the Science Club should have a sense of humor.

The Science Club

Some of the finest talent of the school is displayed annually in the Science Club. The theme of the club is to give the members a general appreciation of the composition of science and encouragement in future technological procedures.

Many members in the Science Club, while looking forward to the Science Fair in the latter half of the year, made various trips to centers of scientific interest in the St. Louis area. They often visited the local universities, observing and discussing various issues which would, perhaps, aid them later in their projects for the Fair.

A number of juniors were enrolled in the Science Club this year, enabling them to gain valuable experience for possible scholarship awards. Gene Pfeffer, David Hess and Gary McDonald were three diligent officers. Senior Harry Koenig is also deserving of mention for his clever project prepared for the Science Fair.

Brother L. Charles, the moderator, encouraged the boys in their projects and, to assist them, made various contacts with men experienced in this field.

In all, the Science Club of 1959 did its part in aiding the advancement of potential learning for the future.

OFFICERS of the Science Club: Gary McDonald, treasurer; Gene Pfeffer, president and chairman; David Hess, secretary.

CBC Choral Club

Returning to our campus for a second year, Mr. Fred Eckels, in his capacity as director of the Choral Club, began immediately preparing the group for their heavy schedule of performances.

First of these was the annual Mothers' Club Mass at St. Luke's Church. The Cadet Chanters sang a varied selection of hymns and other appropriate selections which added to the festivities.

Next on the list and the most important appearance of the first semester was the Christmas Concert, presented in coordination with the Concert Band. The Choral Club came up with an excellent program of songs for the show, including "I Wonder as I Wander," "Behold That Star," and other traditional yuletide carols. An excerpt from "Amahl and the Night Visitors" was also featured with the help of girls from Ursuline and St. Joseph's Academies.

At the time of this writing, the Glee Club was preparing for the Spring Concert to be staged at Kiel Auditorium. The Ursuline Academy Music Department is joining that of CBC for this event. Plans call for both separate numbers and selections joining male and female voices. Included as part of the cadet presentation will be the songs "Shoeless Joe From Hannibal, Mo.," "Kansas City," "Big D" and others tied together into a humorous skit.

The Spring Concert completes the musical year.

Varsity Speech

The Speech and Debate Clubs, once separate organizations, are now joined under the Fine Arts Club as sections. This year the Speech Section had a very successful season even topping last year. In each Catholic Interscholastic Speech League contest, this section was able to place at least five members in the finals. The extemporaneous division was one of the strongest in recent CBC Speech history.

The Debate Section can be said to have had a spectacular season. More than once the team rated first place in a meet and several times one or more of the members were judged best in speaking.

Guiden Reps

Seldom does an individual appreciate the true value of a yearbook until several years after graduation, for it is then that one uses it most to recall his high school career. This year we, the **Guidon** Staff, hope to present the yearbook in such a manner as to draw the appreciation of it not only in the future **but right now.**

The **1959 Guidon** represents the hard work of the staff, of the homeroom representatives, and especially of the moderator, Brother Hubert Gerard. In it are expressed the most memorable ideas and comments that the students of CBC, and especially the Class of '59, might want to hold for their future years. From the time in the past summer when various dummies were turned in by members of the staff, up to the March 4 deadline, the **Guidon** has been formed with the foregoing idea in mind, that as many as possible might find it satisfactory.

We hope that all who read this book will find it worthy of appreciation, and if it serves the purpose of recalling the highlights of the students' high school days, then we of the **'59 Guidon** staff feel that we've successfully completed a worthy product.

The Turret

"Don't get us wrong," says O'Donnell, editor, "we're working but just stopped for a minute to give the **Guidon** a break." Left to right: Brother Timothy, assistant moderator; Carl Muckler, sports editor; Tom O'Donnell; Jack Wrobel, features; Rich Judd, news editor.

Once a month, usually the last Friday, a breathless sigh issues from the lips of the hard-working cadets, as relief is sighted from the dull drudgery of school work. Now they can relax and enjoy reading the school's only periodic publication, **The Turret.**

The Turret is the student body's means of expressing its ideas and opinions; as well as informing students of important events that should be on their calendars, and filling in details of past occasions.

News, in general, is not interesting to the average reader. But, judging from comments heard around school, our news staff, under the capable editing of Rich Judd, has been reasonably successful in presenting the news to the cadets in an interesting fashion. The editors have been fortunate in having a **trained** staff to write for them. When emphasizing **trained,** the writer refers to that bevy of underclassmen who were interested enough to attend Brother Hubert Gerard's Saturday Journalism Class.

The biggest section of the newspaper, and perhaps the most important in the eyes of the cadets, is the sports division, for the second year under Jim Monika and Carl Muckler. Their alliterate and witty headlines spark the sports pages, and their complete coverage of all sporting events attest to their impartiality.

Their success is due in some part to the talented and experienced staff under them, each of whom has written for that section for at least a year. Highlight of the sports page is the Player of the Month column, which honors senior members of the Varsity teams.

Opinion of the students is handled on the feature page, edited by Jim O'Rourke. This page is most difficult to handle because the editor must keep the idea and purpose of the article at hand without infringing on the news facts of the other pages.

Necessarily, this isn't true of the "Seeing I", whose identity has long remained a mystery to the student body. Another of the regular features is the Senior of the Month column, which eulogizes a member of the Senior Class for his achievements of four years. And, let's not forget the cartoonry of Mike Peters which takes gentle though none-the-less subtle jabs at things around the school.

Brother Hubert Gerard and Brother Timothy have provided the "know-how" which has made it easier for Tom O'Donnell and his staff to present to the critical eye of the cadets a student publication that fulfills in high degree the prerequisites of the best in scholastic journalism.

Pep Club

The CBC Pep Club underwent renovation this year under its new moderator, Brother Julius. This small organization made itself heard around the school by joining forces with the Student Council to undertake the task of reorganizing and improving school spirit. It held Pep Rallies in the gym after school, sold CBC buttons and pom-pom shakers at the games and organized the senior football players into a reliable group of cheerleaders. There was a noticeable change immediately in the spirit of the student body at the basketball games. Even when behind, our spirits were still on top.

Brother Constantine, FSC
Librarian

The Library Club

The addition of many worthwhile books including more than 500 enriched biographies donated by Mrs. Joseph Phalan brought the CBC Library to the peak of Brother Constantine's three-year reign. The increased competence of the Library Staff plus the librarian's dominant sense of organization has made this room an orderly center of information and study.

Throughout the year the library is the location of many school exhibits and an enjoyable meeting place for many of the school organizations after classes. More than 8,000 volumes plus numerous magazines, pamphlets, maps and pictographs as well as complete audio-visual equipment adds to its popularity.

Brother Constantine is assisted in his efforts by a group of effective student workers who do most of the work at the charging desk. This work is done in their free time before school, at noon, after class and frequently on Saturdays.

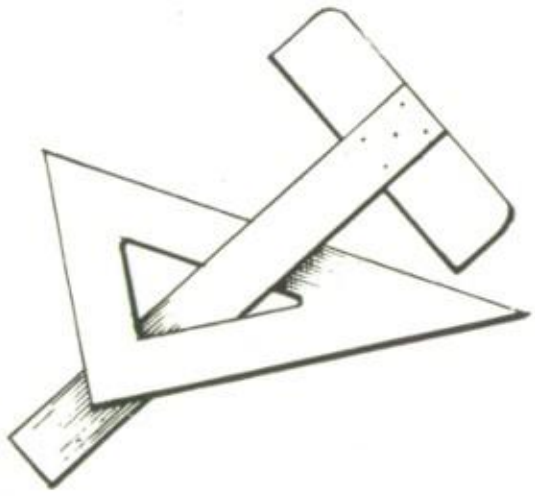
The Engineers' Club



"To further the education of the future engineers from CBD," is the purpose of the Engineers' Club. This aim was excellently accomplished this year by the club and Brother L. Charles, moderator, who filled the academic year with many interesting as well as educational events. Among these were lectures by professional men who gave information concerning possible aspects of the life and work of these potential future engineers.

Talks included mechanical and aeronautical engineering as well as a discussion period with students from highly rated engineering schools. The year was not without its field trips as the club ventured to get a first-hand look at Washington University, Parks Air College and the Rolla School of Mines.

The club likewise benefited the school by purchasing books and records for the library.

Membership in the National Honor Society is the highest honor that can be bestowed on a senior at CBC. Though only juniors and seniors are inducted into the society, preparations for membership begin with the freshman year. In the final selections the qualities on which prospective members are judged are: character, leadership, service and scholarship.

Band

CBC's Concert Band, one of the best in the state, has again come through with highest honors. Under the baton of Mr. Fred Eckels, now finishing his second year, and the moderatorship of Brother John Mark, the band units have completed another successful year. In addition to performing at various civic and school functions, the band gave two of the most succesful concerts in its history at the Christmas and Spring events.

The military Marching Band performed well in the ROTC events in which it took part and was a main attraction at the football games.

Main objective of these organizations is to further the young men's education through music. Besides teaching a sense of duty, many cultural values are obtained in concert work.

About the Play

The play concerns itself with an American Major who is about to be officially charged with treason for collaborating with the enemy during the Korean war. It is also the story of a zealous Judge Advocate who is not simply satisfied with the evidence and admission of guilt, and in his search for the truth certain questions are raised that only you, the audience, can answer.

TIME LIMIT

SCENE: The action of the play takes place in the Judge Advocate's Office of an Army Post in the United States in August, 1955, and in a Korean Prisoner of War Camp in December, 1951.

The Blessed Benildus Vocation Club, for the second year under the guiding hand of Brother Justin, is composed of some 60 seniors—active members—who are aware of the need for religious vocations and are willing to work, sacrifice and pray for an increase of workers in God's vineyards.

Its primary aim—to create an awareness among the students of the importance and meaning of **Vocation**—is achieved with the help of the active and associate members who encourage the student body to pray to know their own vocation.

Vocation Mass

Mass is said each month in the school Chapel on the 25th, at which members of the BBVC assist to ask God's blessings on vocations at CBC.

Honorary Cadet Colonels-and Queens of the Military Ball 1934 through 1958

History: The first Dress Parade of the CBC Cadet Corps was held on the old Aviation Field in Forest Park in the spring of 1935. It was at this ceremony that the caps and capes were presented for the first time to Honorary Cadets. These Honorary Cadets were girls selected as outstanding representatives of the Catholic girls' schools in the St. Louis Area. The Honorary Cadets, having been selected by their schools, are voted on by the commissioned officers of the Cadet Corps and are given honorary ranks ranging from Captain to Colonel.

Promotion in the Corps of Cadets is based on the following impartial system: (1) Scholarship; (2) Military Science and Tactics; (3) Conduct; (4) Extra-Curricular Activities; (5) Leadership. The Cadet Colonel presumably ranks first in the aggregate evaluation given these points by the members of the faculty and the review by the Promotion Board.

MEMO—MAY 20

To the Seniors--

1. The year in review - many blessings, some reverses. School, activities, athletics, etc.

2. Most important subject: Religion - our four-year plan: Christian Americans - our famous and not so famous alumni.

3. Catholic Schools: Nursery of loyal Americans -- enemies rant and rave - Champions are always targets of lesser men.

4. Your obligations as educated Catholics: (a) to make God loved more - (b) to uphold the faith - (c) to promote Christian living:

5. BY YOUR LIVES!! Actions not words

Not a Sunday morning affair--24 hrs/day, 7 days/wk, 365/yr.

6. To achieve: the Mass, the Sacraments - Daily prayer.

7. Leave CBC with high ideals - you go only as far as you aim.

8. Hold our Blessed Mother in high esteem-- daily devotion

9. Be good, God-fearing men - to end as God-loving partakers of eternal joy!

10. You shall be in our prayers always.

Senior Class History

We would be the first ones to admit that we were bewildered, confused, and a bit awed when we entered 6501 Clayton Road on that August morning in 1955. Though we might not have then realized it, we stood at one of the most important crossroads in life, and we knew not which way to go, but we soon learned, or paid the consequence of further confusion. Yes, those were the innocent days of our Frosh year, but as the year progressed, we became more acquainted with the routine, and often proceeded to make a nuisance of ourselves.

Yet, it still had us a bit perplexed, to say the least, meeting all those new faces at once, and especially the new-style teachers.

Meanwhile, before our successful transition, we often let our grade school attitudes and emotions slip out, and we truly felt ashamed when one of our upperclassmen had to reprimand us. We all felt that most seniors just had it in for us, and that they were really the ones with no sense However, we never had time to feel really sorry for ourselves as the Brothers and lay teachers made sure we "hit the books." Why, a lot of times we took home two, three, or even four books for homework. Imagine that! Besides, we just saw no future in "amo, amare, amavi, amatus," and how "x" could possibly be the same as any arabic number.

Still, if we made the honor roll, we thought that perhaps things weren't so bad, and maybe Latin and Algebra might someday be useful.

Our freshman memoirs could not be complete without mentioning our physical accomplishments. These, as would be expected ,came about with our participation on the athletic teams.

Certainly our first year was innocent and fast, but we can never forget those first demerits, or maybe even an "A." We had hardly become accustomed to this new routine, when we were suddenly thrust into that somewhat belligerent year known as the sophomore, or second year.

Sophomore Year

We think of our sophomore year as synonomous with success. First off, we recall the perfect football season then the "State" basketball squad, and then our district soccer champions. Of course, none of these could have come about without the sophomore members of the various squads, or so we liked to believe. But it was truly a thrill for the several fortunate members of our class who did participate on these squads. In the other curriculars, we also witnessed much new spirit and success. The Student Council underwent a complete revision for the coming year, and four new offices were created to be filled by, that's right, sophomores.

So with the majority starting to settle down, the Sophomore Class suddenly saw a few stripes passed on to some of the members. Then as the second semester started to show signs of dusk, literally speaking, the department had been cured of the disease. However several hadn't been cured quick enough and the number of class members took a sharp drop. Yes, our second year was perhaps the most valuable for most, because in it we realized that our education, and attendance at CBC had a goal, and it was up to us to reach this goal. So in the following September, we entered the third year with various mixed emotions.

Junior Year

Our junior year came much too quickly for many of us, as we just couldn't seem to realize we now had responsibility, especially concerning good example for the incoming frosh. For many of us, this year meant our first taste of top-notch extra-curricular activity. For instance in speech, we had to compete with the BEST of other schools, while on the newspaper the editors looked to the junior members as assistants. In athletics, we quickly found a genuine difference between "B" and varsity competition.

In our studies we came upon the first real test of our intelligence. We quickly comprehended the saying that a sophomore knows nothing, but thinks he knows everything. Our first term in that room 104, was an experience beyond description. We just couldn't grasp the possibility of anyone talking so fast, and in so many different languages. In room 402, Brother J. J. tried his best, and succeeded in completely confusing us, with his little mathematical class. We never saw as many "A's" as before, but to us the "B" or "C" meant just as much. I agree with all who say that the Junior Year is by far the most difficult in relation to study.

We recall the Junior Year as the year of enlightenment. Ofter the realization came about that the Brothers were really very human, and pretty good "Joes" at that, as we came to see them as friends, competent teachers and counselors. The Military Department wasn't so fortunate so quickly, but by December most of the class began to think of the future, of the following year, and a lot of attitudes suddenly changed. Then, too, a number of third-year students were becoming aware of the genuine comfort that the ever-present Almighty, especially in the Chapel, can be; this was even doubly evident at our first retreat . . . I'm sure that none of us can forget our first closed retreat at Vaugirard with its golden opportunity for making up with God. Those who used it advantageously are sincerely thankful.

While looking back, we surely see that our Junior Year serves as a training program, all nine months. The program points to the coming year, when it would be up to our class to assume the leadership of the entire school. It's a big responsibility.

Yet this year wasn't all serious, for again we came out with a "State" basketball team, and we even sponsored a dance and the Junior-Senior Prom.

Senior Year

When the 175 of us entered the halls in September, the task of assuming leadership loomed directly before us, and we saw we must help each other and the Brothers, to accomplish such a task. Certainly the word had been mentioned at OCS, but it had hardly been the real thing as it is something that has to be experienced. From the very start, say on the West Field, on August 18, we were expected to show not only leadership, but also responsibility

Meanwhile we faced up to the task of equaling our worthy predecessors when we were called upon to fill the executive position of the various activities. Such organizations as the Student Council, Speech and Debate, **The Turret, Guidon,** and military organizations now were placed under the guidance of our fellow class members.

Of course our classes took a little less formal atmosphere, but this made the courses no less tough. Somehow we just couldn't "dig" all those sulfates, nitrates, and so forth into that solid geometry, and all the others. We had to be extra careful that all our outside duties did not interfere with our studies, as we had to acknowledge they must hold the top spot in our school life. Besides, we had to keep up a good average for all the various colleges, because they were not about to come begging us to their schools, as Mr. Edward Tines explained. Slowly the months slipped by, and at last we reached December after going through a pretty fair football season.

Finally we came to the day of promotions, and aside from the usual complaints, and jokes, we all fared pretty well and came out generally proud.

Many, so very many elements go into a senior year that I can hardly enumerate them. Just to mention a few accomplishments: we credit the football team with a (6-3) record, while our soccer team continued its well-earned and truly phenomenal success, and the basketball team finally showed a championship quality. There were dramatics witnessed at CBC in October, for the first time in several years. We became conscious of perhaps the most active Student Council this school ever had. Our journalistic organizations followed through this year with very credible jobs, while the BBVC enjoyed a most successful year.

Our contact with all members of the faculty became more and more personal. Mainly through this contact many of us came to understand just what a privilege we enjoyed by attending CBC. Then, too, our social lives seemed to blossom forth, as we often just went from party to party

When our first semester exams were completed and the grades came out, the fact that our high school career was rapidly coming to a termination hit many of us. We could see that college wasn't just a far distant dream but a close reality. And now that we are practically at the end of our senior year, we take time out to really contemplate our last four years. We think of the joys and disappointments, all which make up perhaps the finest four years of our lives.

However, never could we have the chance of reliving our four years at THE high school again, without coming to a true understanding of just how exceptionally fortunate we are to have been under the expert guidance and teaching of the Christian Brothers. Their concern for us was beyond compare, as evidenced by their provisions like the finest coaching staff in Missouri, and a faculty of nothing but first-class teaching quality. So may we take just a moment of your valuable time, Brothers, as we wish to express our sincere appreciation for all that you have done. We intend to remember you always, rendering to you the greatest gratitude possible, our prayers, we ask that you continue to remember us in yours!

Please accept most believingly, Brothers, the immeasurable gratitude of the Class of '59.

Yes, I'm sure CBC will credit our class with many successes, and even a few failures, but I'm confident that CBC will always favorably remember the Class of '59.

Bill Eigel.
